## Economy Bed Handle

Better bed mobility that is economically priced. The Economy Bed Handle makes getting into and out of bed easier. The 18” wide handle is covered with a non-slip grip. Easy to assemble and install, no tools required. For added safety, a nylon strap is included that slides under the mattress and secures the handle to the other side of the bed frame. Fits on either side of the bed and can be used with any size home style bed.
