Bath/Toilet Modular Systems

101

BATH/TOILET MODULAR SYSTEM-
REHAB SHOWER/COMMODE CHAIR

- Complete Packages for Easier Ordering Available
- Stainless Steel Frame
- Height Adjustable
- Can be used as a Raised Toilet Seat
- Lightweight
- 350 lb. (158kg) Weight Capacity
- Several Seat Options Available
- Seat usable in Four Different Directions

The 101's unique design accommodates perineal access from four directions. The cut-out portion of the seat can be placed over the toilet in the desired direction, and the legs can be adjusted in height while maintaining a stable platform for seating.

With the 12 different seating options and large seating surface the 101 provides excellent support, while the cut-out may offer some additional pressure relief. With these options, the customer can find the size, contour, and shape to fit a wide range of needs. It is lightweight, easy to move out of the way and no tools are required for disassembling the legs for travel or for height adjustment. Easy to use, versatile, sturdy and comfortable makes the 101 an outstanding bathroom aid.
