

Dynaform® Posture Belts

The H-Style Posture Support is used to hold the shoulders back to reduce slouching, while adding stability to the upper body. Contoured pads are trimmed for exceptional comfort and a streamlined appearance. Lack of full coverage leaves space for additional medical devices, such as a feeding tube.

H-Style Posture Belt

NEW

Rear-Pull

Stretch Part No.	Size	Pad Height	Pad Width	Webbing Width	Pull Style
14813	Small	12"	1 3/4"	1"	Rear-Pull
