RADIUS BACK

Sleek pad design offers scapular and hip relief for improved range of motion.

Spinal relief design removes pressure from the spine.

Wings provide lateral trunk support positioning and protection from wheelchair canes.

High resiliency foam comfortably contours to the user's anatomy.

Compass Hardware allows for easy installation and quick adjustment.

Cane mounted lateral trunk supports (E0956) are optional and available on page 41.

STANDARD SIZES	16" Wide	18" Wide	20" Wide	22" Wide	24" Wide

ELEMENTS BACK

ADJUSTABLE TENSION STRAPPING SYSTEM

Strapping system can accommodate for kyphosis and provide lumbar support.

1" pressure relieving foam provides a more comfortable back support than a standard sling back.

Back securely installs directly over wheelchair canes.

Steel D-Rings provide superior strength and durability.

One SKU fits wheelchairs sizes 15"-21"; second SKU fits wheelchair sizes 22"-26".

COLLAPSIBLE BACK FOR FOLDING WHEELCHAIRS

Installation is made easy with the strapping system.

The Elements Back design allows the entire backrest to fold with the wheelchair for easy transportation and storage.
