COMFORTABLE & EASY TO USE

The Swede-O® Easy Lok™ is simple to apply and adjust using the two strap closure system: Ideal for people with arthritic hands and those who have difficulty applying a lace-up style brace.

The Easy Lok's removable side stabilizers offer additional support for weak or injured ankles. The full elastic back is comfortable against the Achilles tendon and helps reduce irritation and potential for blistering. The durable vinyl construction and industry leading 1 year warranty provide peace of mind that you're giving your ankle the best protection. This brace fits comfortably in most shoes.

INDICATIONS FOR USE

Use the Easy Lok after injury or to protect your ankle from future injury. This ankle brace helps prevent and relieve aches, pains, sprains, and other ankle conditions.
