Walker & Transport-chair in one

Now you can keep going...

You have already seen and done a lot. But your journey of discovery isn't over yet. Effortless staying power. Live life to the full. That's what Rollz is all about. Which is why we have designed the modern Rollz Motion2, a walker that converts into a transport-chair at a flick of the wrist. And of course, just as easily back again. Rollz takes you further.

Be it for an outdoor activity, a long holiday, a treasured exposition or a shopping afternoon, this 2-in-1 walker inspires you to keep on going without effort. In addition, the Rollz Motion2 folds in a compact package and fits into any car.

The Rollz Motion2 is an ergonomically designed walker with a strong but lightweight frame which enables you to walk steadily, upright and comfortably. And if you want to rest along the way, the Rollz Motion2 converts into a transport chair at a flick of the wrist. And of course, just as easily back again.

Rollz Motion² is available in four colours and two seat heights: Regular (21.5") and Small (19.5").
