

PINNACLE Premium Stair Lifts

The most advanced straight stair lift ever developed. Engineered to the highest industry standards, Harmar's Pinnacle stair lifts are designed for optimal comfort, convenience and aesthetics. The space-saving Pinnacle folds to just 11," making it the narrowest lift on the market today. And its patented helical worm gear drive generates the smoothest, safest and most energy-efficient ride available.

- Just 11" wide folded—the industry's narrowest
- Patented helical worm drive is smooth, safe and energy-efficient
- DC drive even runs during power interruptions
- Non-handed. Ready to install on either side of the staircase.
- Clean installation and maintenance. No grease or lubricants to apply or clean up
- Patented Folding Rail Option—a first in the industry, it's fully automatic to eliminate obstruction at the stair base.
- Powerful enough to travel up to a 52-degree incline
- Available Signature model with premium contour seat
- Lightweight. The heaviest component is 58 lbs. (26 kg) in a box with convenient carry handles
- 350 lbs. lifting capacity

Pinnacle Signature (SL600S)

Pinnacle Standard Edition (SL600)

The energy-efficient patented worm drive requires no greases or lubricants.

An industry first, automatic fold design eliminates obstructions at the bottom of the stairway.

Safety sensors on carriage and platform stop the lift instantly at obstacles.

Pinnacle Heavy Duty (SL600HD)

Industry leading 600 lbs. capacity. High-backed, contoured 25" wide seat helps ensure a comfortable and secure ride. Sturdy, stationary armrests and reinforced footrest add stability for safer transfers. Slides out from wall as it swivels at landings for easier entry and exit.

- High capacity seat, arm and footrest frames
- Folding footrest
- Integrated, easy to use constant-pressure controls
- Swivels at landings for entry and exit
- Up to 40-foot travel
- Non-handed for easy installation on right or left side
- 600 lbs. capacity—the industry's best!

SL600HD with 25" wide seat
