

INVACARE®  
**BAR750**  
BARIATRIC BED

The **Invacare® BAR750 Bariatric Bed** is a heavy-duty full-electric bed frame capable of supporting up to 750 lb. With the patient in mind, this bed expands from 39" wide to a full 48" and from 80" in length to 88". Four ultra-quiet DC actuators easily reposition the head and foot sections, as well as the bed height. And, for the ultimate in safety, the bed comes standard with a battery backup.

## Features

Heavy-duty frame design ensures added strength for client support

Split-spring design eases delivery and setup

Two locking casters on head section and two steering lock casters on foot section

Two high-low motors, one on head section and one on foot section

Pendant allows for dynamic client positioning

Quiet, smooth operation

Integrated battery backup, bed ends and half rails standard

Choose from three mattress width options

BARMATT Mattress options meet fire safety regulations 16CFR1633 and 16CFR1632

650 lb. patient weight capacity

750 lb. total weight capacity

## HCPCS Code: E0302

1. Heavy-duty frame
2. Split spring design
3. Locking casters
