

metron[®] ELITE

Independently Certified for Your Peace of Mind

All Metron[®] Elite treatment tables have been certified to **IEC 60601-3rd Edition** standards by the testing lab TÜV Rheinland of North America. This means you can choose Metron Elite tables with confidence knowing they meet the strictest industry standards.

Approved with a 550lb. weight capacity, you'll get bariatric capabilities without higher bariatric prices. We have a variety of Metron Elite Tables to meet your needs: 2-Section, 3-Section, 3-Section Aster, 7-Section and Bobath 39" W and 47" W tables.
