

# ***SELECT*PROTECT® SAFETY ENHANCEMENT SYSTEM**

## **PROTECTION**

### **CONCERNED ABOUT FALLS AND BED SAFETY?**

## **SAFETY**

### **AFRAID OF QUESTIONABLE AFTERMARKET “ADD-ONS”?**

Provide real safety and protection for the individual. The *SelectProtect*® is a safety enhancement system that helps reduce the risk of falls and promotes bed-bound safety. *SelectProtect* is designed to be used exclusively with a standard *SelectAir*® or *SelectAir MAX*® Mattress Replacement Systems and without bed side rails\*. The unique built-in bolsters help promote a safe sleeping environment without compromising the individual's sleeping area.

Don't risk the safety of the individual with aftermarket add-ons that are not designed to fit standard *SelectAir* Systems. Choose *SelectProtect*.

## **COMPATIBILITY**

# SELECTPROTECT® SAFETY ENHANCEMENT SYSTEM

## APPLICATIONS

### THE *SELECTPROTECT* SYSTEM IS MOST EFFECTIVE FOR INDIVIDUALS WHO:

- are at risk of falling out of bed.
- reside in facilities where bed side rails\* are not used.
- currently use standard *SelectAir* or *SelectAir MAX* Mattress Replacement Systems and need a safe sleeping environment.

## FEATURES & BENEFITS

### PROTECTION:

Integrated foam side bolster system helps protect bed-bound individuals from falls.

### SAFETY:

Built-in bolsters help promote a safe sleeping environment for the individual while shoulder bolsters do not compromise sleeping area.

### COMPATIBLE:

Designed to fit standard *SelectAir* and *SelectAir MAX* Systems already in use.

### DURABLE:

*SelectProtect*'s vapor-permeable, fluid-resistant material is durable and easy to clean.

## SPECIFICATIONS

### INCLUDES:

*SelectProtect* cover, 2 shoulder bolsters, 2 foot bolsters, operation instructions.

### CONSTRUCTION:

Top: 100% polyurethane coated polyester.  
Bottom: PVC-backed polyester (DEHP and BPA free).

Flame-resistant: Meets CFR 16 Part 1632.

### SIZES:

For use with standard size *SelectAir* and *SelectAir Max* Mattress Replacement Systems only (36-inch mattress size). Custom sizes are not available.

### WEIGHT LIMIT:

*SelectProtect* is intended for individuals that weigh 75 to 400 pounds which is the same weight limit for standard *SelectAir* and *SelectAir MAX* low air loss mattress replacement systems.

### WARRANTY:

1-Year Limited Warranty

\* Use of *SelectProtect* should be determined based upon facility protocols, applicable laws, regulations, guidelines and individual user safety considerations. It does not replace the need for patient fall prevention measures.

† Testing was conducted using a mannequin on a *SelectAir* Mattress Replacement System with the *SelectProtect* as a cover replacement. Testing demonstrated that *SelectProtect*'s foam bolsters help prevent individuals from falling out of bed.
