EASyS Advantage

Maximum driving comfort
for an easy-going day

Thomashilfen

More comfort, more safety: This is **NEW** ...

” Sitting for long periods can be exhausting, but sometimes it is simply not possible otherwise. You will be thankful when your rehab stroller is perfectly adjustable and softly spring-loaded. The cozy and comfortable cushions are so inviting. “

Choose between 5 upholstery styles:

				
red/ grey	blue/ grey	green/ grey	magenta/ grey	grey/ grey

Cushions are breathable and washable

Chassis colour: black 

Extremely thick cushions for great comfort. The additional seat cushion can be replaced if necessary.

A new design of the footrest for a sporty look

Eccentric lever for an easy adjustment of the knee angle at the physiological pivot point

Easy seat assembly and rapid change of viewing direction – without tools:

- driving direction
- face-to-face

180° lying position in the BSS safety seat for children who must be transported in a lying position frequently

A central release lever on the back

- seat tilt-in-space
- separates the seat from the base frame

Adjustment of seat depth and seat width under the seat – without tools

Transportation lock prevents unwanted unfolding, e.g. when lifting the stroller into the car

The soft suspension absorbs vibrations and ensures a good riding pleasure without vague steering behaviour.

Conveniently operable rear brake, clearly visible as a red functional part

There is much storage space available under the seat:

- washable basket (inclusive)
- large accessory plate (accessory)
